The Division of Developmental Disabilities (DD), established in 1974, serves a population that has developmental disabilities such as intellectual disabilities, cerebral palsy, head injuries, autism, epilepsy, and certain learning disabilities.

The Division's Mission is to improve lives of Missourians with Developmental Disabilities through supports and services that foster self-determination.

#### Partnership for Hope

Under the leadership of Governor Jay Nixon, the efforts of local county DD boards and in collaboration with the Division, the **Partnership for Hope** waiver was initiated in 2010. Partnership for Hope makes a fundamental shift away from high costs, crisis oriented services, providing access to services much earlier.

#### I'm interested in working. Can VR help me?

If you want to work but have a disability that keeps you from finding, keeping or advancing in a job, Vocational Rehabilitation (VR) may be able to help you. VR specializes in employment and training services that can assist you in becoming employed. A VR counselor will determine your eligibility for services. To be eligible, you need to have a physical or mental impairment that causes problems with working and need VR services to be successfully employed. Once eligible, you will work with a counselor who will help you develop a plan for your rehabilitation. We will give you vocational information and guidance allowing you to make informed choices about your vocational plan.

VR offers a wide range of services that are individualized for your needs. You and your counselor decide which services will help you become employed. Some of the services that may be available are:

- Youth are recruited from target neighborhoods where the program can make the greatest impact.
- Once a young person is identified, they receive assistance in articulating their dreams, interests, assets, and areas for greatest potential.
- They are paired with a job coach who is committed to their individual success, and where possible, they are matched with a job in their area of interest.
- Training and skills building are provided in the areas of:
  - Financial Literacy
  - Essential Skills
  - Job Readiness
- Youth are connected with employment experiences (the program pays their salary).
- A Job Coach provides the initial assessment, works with both the youth and employer throughout the duration of the program, and provides follow-up support to assist the youth in finding employment post-program.
